Exhibitor Information

Welcome from Joseph Williams, CMCA Executive Director

Thank you for considering becoming an advertiser and/or exhibitor for the annual CMCA Correctional Ministry Summit to be held at the Billy Graham Center at Wheaton College in Wheaton, Illinois. The Summit is the highpoint of the year for those of us at CMCA. It is our most important and enjoyable event. Personally, I look forward to greeting my brothers and sisters from around the country and from foreign countries who share my passion for correctional ministry at each Summit.

I feel extremely blessed to be able to engage in this great work at a national level. As I have traveled across the country, visiting organizations engaged in various aspects of correctional ministry, I have observed a great need for resources, program models and products. Ministry leaders work extremely hard, often under difficult circumstances and with few resources, in order to carry out their mission. Often they work in relative isolation as there are not a large number of us who have answered God's call to correctional ministry.

You have much to offer your ministry colleagues because of what you have learned and developed over the years. Others need to learn of the great work in which you are engaged. They need to know about the programs, resources and products you have developed. So, it is important that you make others aware of your work through advertising and displaying your work through the Summit. Let's work together to assure that those who work in this field of ministry have access to the tools they need to succeed.

Sincerely,

A handwritten signature in blue ink that reads "Joseph Williams". The signature is written in a cursive, flowing style.

Joseph Williams, CMCA Executive Director
