

Reaching Prisoners with the Gospel

When crime rates increase, so do prison populations—especially among the poor. More inmates need to know the redeeming message of God’s Word. That’s why Bible League International and Prison Fellowship International are joining efforts. The two ministries are working together to reach prison inmates worldwide through evangelism and discipleship programs, giving them easy access to the message of the Gospel.

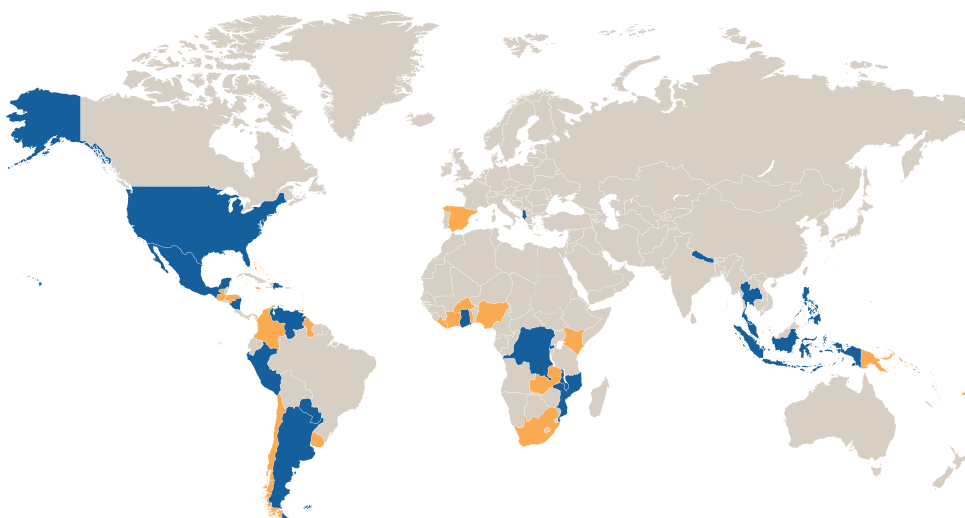

This is accomplished through Prison Fellowship’s evangelistic Bible study based on the Gospel of Mark, called *The Prisoner’s Journey*. Prison Fellowship provides inmates with Bible League’s easy-to-read Prison Bible once they have completed the program. Inmates are then encouraged to continue studying God’s Word through Bible League’s *Prison Project Philip* discipleship Bible studies. Upon their release, they are encouraged to become part of churches in their own communities.

Bible League’s ministry with prisoners will take place in 43 countries this year, more than half through our expanding partnership with Prison Fellowship.

Please, help prisoners find true freedom in Jesus Christ. Please provide the Bibles, Bible study materials, and training needed to engage an inmate in God’s Word—and transform a life.
