

# THE GLOBAL LEADERSHIP SUMMIT

August 5-6, 2021 | [GlobalLeadership.org/Summit](https://GlobalLeadership.org/Summit)

## JOIN THE GLOBAL LEADERSHIP SUMMIT PRISON PROGRAM

Our world-class faculty represents diverse backgrounds, providing leadership expertise and insight to equip men and women in their leadership skills to influence positive change.

The Global Leadership Network (GLN) is honored to invite prison facilities to leverage the Summit to change the culture of their prison and empower positive purpose in those who attend. Knowing 95% of incarcerated men and women are eventually released, this is an excellent opportunity to equip them with new skill sets and a sense of greater purpose for successful reentry.

### POSITIVE OUTCOMES

“Bringing the GLS into the prison has shown the inmates that they are worthy of the investment being made in them.

The lessons they learn are **empowering** them to **behave more like leaders**

in the microcosm of prison culture in preparation for who they will be on the outside.”

– DAVE WIGGINS

## ON-SITE PERSONNEL

There are two support roles needed to make your event smooth. One person is needed to run point for the event and liaise with GLN prior to and on event days. The help of the facility's IT team is also needed, as there are also websites that need to be cleared through the facility's firewall.

1. Visit [speakeasy.net/speedtest](http://speakeasy.net/speedtest)
2. Click "Start Test"

The ideal bandwidth speed is 15Mbps and up.

## HOW THE GLN SUPPORTS YOUR PRISON HOST SITE

Your facility will have access to GLN staff for training and ongoing support in the lead up to, and during the event. As a first-time site, you will be carefully coached through the hosting process. You will also get access to our hosting guide—a website where you can access all the info and tools you need to host the event, gathered in one place.

## YEAR-ROUND RESOURCES

You are invited to join us for a number of year-round leadership events in addition to the Summit. Also, gain access to 1,000s of leadership videos and articles to be used as year-round development tools.
